PAPER

20060710

DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents****Response to Amendment**

The reply filed on May 1, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The claims are still defective because the objections have not been corrected according to the Office action mailed on March 22, 2005. Note that the examiner has not entered the claims filed on June 22, 2005 since the amendment to the claims changes the scope of the claims. Amendments to the claims changing the scope of the claims cannot be made after close of prosecution. The originally filed claims need to be fixed according to the claim objections suggested in the Office action.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
